

Alpine Woman's Club Commemorative Tiles

The original Alpine Town Hall was built in 1899. The Alpine Woman's Club was established in 1914 and acquired the Town Hall in 1932. In 2006, the Club was designated an historic site by the San Diego County Register of Historic Places.

Members have donated their time, talents and resources to preserve and maintain this stately building for the enjoyment of our generation and future generations.

Please be a part of Alpine's history and contribute to our Capital Investment Drive by purchasing a commemorative tile. The tiles measure 4 x 4 inches. On the tiles, you can have your name, your children's names, use your business name, dedicate a memorial tile for a loved one, or just be imaginative. The tiles will be displayed along the access ramp. Please complete the below order form and return to the Alpine Woman's Club, Attn: Tiles P.O Box 231, Alpine CA 91903. For additional information, please contact Nancy Bender at (619) 817-5721.

SAMPLES are in color. To view other samples go to [AWC ADA Ramp...](#)

Yes, I want to be part of history and help preserve and maintain the Town Hall.

Please reserve _____ (# of tiles) at \$250 each for a total amount of \$_____.
